Standing Together Howard Hendricks, 1995-10 Howard Hendricks speaks a clear and concise message about boldness in the face of hostility, interdependence for proper perspective, and a vision to pass the mantle of leadership to the next generation. The Fate of the Apostles Sean McDowell, 2016-03-09 The *Book of Martyrs* by John Foxe written in the 16th century has long been the go-to source for studying the lives and martyrdom of the apostles. Whilst other scholars have written individual treatments on the more prominent apostles such as Peter, Paul, John, and James, there is little published information on the other apostles. In *The Fate of the Apostles*, Sean McDowell offers a comprehensive, reasoned, historical analysis of the fate of the twelve disciples of Jesus along with the apostles Paul, and James. McDowell assesses the evidence for each apostle's martyrdom as well as determining its significance to the reliability of their testimony. The question of the fate of the apostles also gets to the heart of the reliability of the kerygma: did the apostles really believe Jesus appeared to them after his death, or did they fabricate the entire story? How reliable are the resurrection accounts? The willingness of the apostles to die for

their faith is a popular argument in resurrection studies and McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies, Church History, and apologetics.

Effective Bible Teaching James C. Wilhoit, Leland Ryken, 2012-09-01 Why does Bible study flourish in some churches and small groups and not in others? Disciples Are Made Not Born Walter A. Henrichsen, 2011-09-01 Make Disciples. Jesus' command is clear. But what is a disciple? And how are we to make them? Based on decades of experience, this book explains and illustrates the process of disciple-making that Jesus taught and modeled. First published in 1974, its practical, biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others. Disciple-making is challenging, to be sure. But as we are faithful to Christ's Great Commission, we'll experience the fulfillment that comes from being faithful to the life mission to which God has called us.

Searching the Scriptures Charles R. Swindoll, 2016-09-13 2017 ECPA Christian Book Award Finalist (Christian Living category) Are you getting the spiritual nourishment you need? Optimal health requires optimal nutrition. The same is true spiritually speaking. Without sufficient and regular biblical nutrition, our inner lives begin to suffer the consequences. We become shallow and selfish, more demanding and less gentle, and quick to react impatiently, rashly, and angrily. These are telltale signs of inner malnutrition. In *Searching the Scriptures*, respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives. He outlines the principles of Bible study that will help you understand God's Word, apply it, and communicate it clearly to those around you. Too many people try to go it alone, without a guide, for this life and the next. Chuck explains how we can fix our own spiritual meals, then invites us to feast on nourishing truths we can discover in God's Word.

Keown surveys Hebrews, the General Epistles, and Revelation. God's Word Made Plain Mrs. Paul Friederichsen, 1958-06-01 An illustrated birds-eye view of major Bible teachings, with questions for study and discussion following each chapter.

Who God Says You Are Klyne R. Snodgrass, 2018-01-08 WHO ARE YOU? For respected New Testament scholar Klyne Snodgrass, this is the most important question a person can ask—the question from which everything else in life flows. Other questions follow: What made you who you are? Who gets to say who you are? And—perhaps most vital—Who does God say you are? In this book Snodgrass offers wise guidance to all who are wrestling with such universal human questions. He examines nine factors—including one's body, personal history, commitments, and boundaries—that shape human identity, and he expertly draws out what the Bible tells us about who God says we are, how we fit within God's purposes, and how our God-given identity can and must impact the way we live our lives.
