

The Forbidden Knowledge Of Enoch

CH Cherryholmes

The Forbidden Knowledge of Enoch R. J. Von-Bruening, 2013-12 Is the story of humanity far older and richer than the institutions of society have led us to believe? Using archaeo-astronomy, religious stories, ancient artifacts, and our modern understanding of human evolution, RJ von-Bruening presents a compelling and thought-provoking case to suggest that it is. In 'The Forbidden Knowledge of Enoch', you'll take a unique and fascinating journey into the almost forgotten story that is told through the ancient, unhidden symbols that surround us today. Taught in the mystery schools and religions that still exist, a single, understandable story has been wove together from a great number of ancient mysteries, religious stories, and modern conspiracy theories, It will give you the first true understanding of the depth and scope of the cultural phenomenon of a Satanic New World Order. In the process, The Forbidden Knowledge of Enoch provides a radically new timeline and interpretation of the entire biblical tradition.

The Book of Enoch R. H. Charles, 2018-12-16 THE BOOK OF ENOCH The Forbidden Knowledge ABOUT THIS MOST MYSTERIOUS BOOK The Book of Enoch, written during the second century B.C.E., is one of the most important non-canonical apocryphal works, and probably had a huge influence on early Christian, particularly Gnostic, beliefs. Filled with hallucinatory visions of heaven and hell, angels and devils, Enoch introduced concepts such as fallen angels, the appearance of a Messiah, Resurrection, a Final Judgement, and a Heavenly Kingdom on Earth. Interspersed with this material are quasi-scientific digressions on calendrical systems, geography, cosmology, astronomy, and meteorology. THE BOOK OF ENOCH AND IT'S SECRETS

The Forbidden Knowledge of the Book of Enoch Harold Roth, 2024-12-01 Examines the meaning, context, secrets, and impact in a clear, accessible, secular, and respectful way, so that readers can make up their own minds about the mysterious Book of Enoch. Forbidden knowledge is at the core of the Book of Enoch. Its text has captured interest from 300 BCE up to the present day. Ancient people living in the Qumran area of the Land of Israel, to the Near East, to Ethiopia, and to Eastern Europe have all consulted the Book of Enoch for their magical and mystical practices. Sometimes part of religious canon and doctrine, and sometimes outright banned, the Book of Enoch has persisted for well over 2,000 years. Roth focuses and interprets the content of the Book of Enoch and addresses how that knowledge has been used in the past, and how it can be useful in the present. The Forbidden Knowledge of the Book of Enoch shows that the Book of Enoch remains as vital, if not

more so, today as it has been for centuries. From Renaissance magic (Dr. John Dee) to early Christian apocalyptic texts, all the way down to today's conspiracy theories and modern magical angelology, the Book of Enoch has been influential in many spiritual and religious traditions. What has been missing from the various approaches to the Book of Enoch, more popular today than ever, has been any real attempt to find not only what is at the center of these stories but also their connections to magic. The Forbidden Knowledge of the Book of Enoch finds and elucidates those connections. This new work will be useful in the present to magic workers, mystics, those who work with angels, those interested in Jewish magic and mystical practices, and those who are simply curious to peek at apocalyptic visions.

The Forbidden Knowledge of Good and Evil Daniel F. Owsley, 2012-02-23

1 It's with great pride that some very great literature about creation has finally been gathered together for God's faithful few. So be prepared to go on a journey back in time.

2 But the very first thing that any inspired work about creation has to do is to present some undeniable facts so that evolution can be discredited to its very core. Therefore the voices of many modern experts shall now ring out in unity to teach the facts of reality. For it's now well beyond crystal clear that many fantasies have haunted billions of people about the way that life somehow came into existence upon our blue and green world.

3 'Tis also as clear as cloudless skies that the past ideas of those multitudes hasn't only been ridiculous, but they have also imagined some totally impossible scenarios as well.

4 'Tis therefore a sure thing that people can object to other people's opinions; But there's nobody with even half of a brain that can dare to disagree with the kind of indisputable fossil evidence that humanity has already uncovered; For those rocks silently yell out the fact that Man's understandings of "prehistoric" time-lines have always been very false.

5 And to accomplish the kind of teaching that rocks teach the best, our Lord has allowed several of those discoveries to stress that our science is wrong. He even uses the voice of Charles Darwin to prove once and for all that evolution is an absurdity at its highest height.

6 So this shall be the time to explore some artifacts, to look at some fossils, to crawl through some real deep mines, to look at some graveyards, and to look through some microscopes. And it's also the time to set the world's clock ahead; For most people have always been pretty backwards in their thinking when it comes to the book of Genesis.

7 But for people who want to be enlightened they have to listen to the apocryphal voices of Enoch, Methuselah, Israelius, and the two sons of Moses - Gershom and Eliezer,

8 'Tis also the hour to peek into caves, to examine some art work, to listen to the ancients, as well as the moment to put all of those things into a single package, so God's supernatural creation of everything we know shall be extremely clear; For it's a given that things scientifically could never have happened any other way, once all of the facts are in.

9 So sit back and relax as this true tale about the miraculous aspect of our world's creation is looked at; For this is the time to look at geology, giants of old, and the great thunder lizards that caused the grounds to tremble as they gently walked under the moonlight.

10 Then the focus of this Forbidden Knowledge of Creation shall shift as truths about God are briefly held up very high for all to see. 'Tis therefore the long awaited hour for some new revelation through the

voices of many of God's servants from history past and present. 11 And once all of the above has been accomplished, earth's true history shall then be laid out in chronological order so nothing will seem to be complicated. But the complexities of everything involving creation will certainly spin some people's heads around, if they refuse to accept the very simple fact that everything about earth has been supernatural from its very sudden creation when God long ago first said "let it be!"

The Books of Enoch Revealed Tobias Churton,2025-03-04 • Examines in depth Enoch's full story of the Watchers, the fallen angels who came to Earth and shared corrupting forbidden knowledge • Explores how Enoch was a vital component of Second Temple messianic Judaism, speculative Jewish mysticism, the Kabbalah, and Gnostic mythology • Investigates the entire history of the Book of Enoch and its important esoteric offshoots, including the later Enoch II (the Slavonic "Book of the Secrets of Enoch") and the so-called Hebrew "Book of Enoch" (Enoch III) Said to have been written by the prophet Enoch, great-grandfather of Noah, the first Book of Enoch disappeared for many centuries, except for one place: the Bible of the Ethiopian Orthodox Church, which held it as canonical. Revealing the profound influence of Enoch on world thought over the past two thousand years, Tobias Churton investigates the entire history of the Book of Enoch and its important esoteric offshoots, including the later Enoch II (the Slavonic "Book of the Secrets of Enoch") and the so-called Hebrew "Book of Enoch" (Enoch III). He explains how Enoch was taken to heaven where he received personal instruction from God and examines in depth Enoch's full story of the Watchers, the fallen angels who came to Earth and shared corrupting forbidden knowledge. He explains how the Enoch tradition was a vital component of Second Temple messianic Judaism and speculative Jewish mysticism, playing a key role in the development of both the Kabbalah and Gnostic mythology. He also shows how Enoch is a key figure in Western esoteric traditions. Informed by up-to-date studies of the Dead Sea Scrolls, Churton provides the first comprehensive examination of the Book of Enoch, clarifying and refuting many errors of understanding about Enoch's apocalyptic and sometimes sensational prophecies.

Forbidden Mysteries of Enoch Elizabeth Clare Prophet,1983 Enoch's encounter with the fallen angels known as Watchers prompted a daring expose on their true identity. But, why was the Book of Enoch lost for 1500 years? Contains all the Enoch text and research parallels. (Philosophy/Metaphysics)

The Flat Earth as Key to Decrypt the Book of Enoch Zen Garcia,2015-10-25 Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was

instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

UNLOCKING THE DREAM VISION R.J. von-Bruening,2018-10-31 Unlocking the Dream Vision: The secret history of creation will take you on a profound journey into the mysterious mystical esoteric symbolism of the largely forgotten Dream Vision that is buried deep within the ancient Book of Enoch. It is a unique and captivating journey that reveals one of the most heretical, blasphemous, and controversial accounts of creation ever told, for both believer and skeptic. Within its pages you will learn of the ancient system of mystical symbolism and initiation that was born in the religious temples that ruled the city-states of the first civilizations. You will also be introduced to the radical 2,000-year-old theory from the legendary Library of Alexandria that the true story of our own mysterious origins lays within the system of allegories and mystical symbolism of the mythologies and sacred writings of the ancient world. A system that was first created by the professional class of writers known as the scribes, in order to conceal and protect the forbidden knowledge of the gods and the secret history of creation itself. By using this non-traditional approach, you will discover how the highly symbolic Dream Vision, written by the righteous scribe and mysterious lost prophet of the Bible, Enoch, is the key to unlocking this ancient system of mystical symbolism and the secret history of humanity. It is the same secret that is still hidden within the symbolism of the mysterious esoteric brotherhoods, secret societies, and hidden orders of the world. It is through this exceptional system of mystical symbolism created by the ancient scribes that the origin and true meaning to all the mystical symbols, like the pentagram, the all-seeing-eye, and the unfinished pyramid, are revealed. You will also learn the answers to some of the greatest mysteries concerning the biblical story. For you will find that the mystical symbolism of the Dream Vision contains the secrets of the Watchers, the Giants, the great Flood of Noah, and so many more mysteries, which are uncovered for the first time. Not only are the hidden secrets of the Bible uncovered through the mystical symbolism, but it will also reveal the greatest secrets of mythology and the ancient world. You will understand the secret meaning to the ever-famous symbol of the Bull, the Twin Brothers of legend, and even the monsters of myth like the terrible Hydra. You will even learn the real reason why the Great Pyramid was built, the real secret of the Pleiades cluster, the lost city of Atlantis, and the other mysterious lost civilizations of the Ice Age; moreover, with the conclusive evidence of the terrible cataclysm that befell them all. You will also be presented with an entirely new theory on the identity and true origins of the mysterious figures our ancient ancestors worshiped as the 'gods' without invoking ancient aliens or endless religious speculation.

The Three Books of Enoch and the Book of Giants ,2017-05-13 This book includes 1 Enoch: The Ethiopic Book of Enoch; 2 Enoch: The Slavonic Book of the Secrets of Enoch; 3 Enoch: The Hebrew Book of Enoch; and versions of the Book of Giants. The 1st Book of Enoch, the Ethiopic Book of Enoch, or 1 Enoch is more known as simply the Book of Enoch. Although this book is considered apocryphal for the Western canon, it is contained in the Ethiopic Bible. It was considered sacred by

some important first followers of Christ but it was left out of the Bible and disappeared for centuries until it was rediscovered in 1773 in Ethiopic. This manuscript was first translated into English in the 1820s and into German in the 1830s. According to most scholars, part of it was written in third century BCE and part of it in the first century CE (the part related to the Son of Man). Although the oldest complete copies of 1 Enoch are K-9 or Kebran 9, dated late fourteenth early fifteenth century and Ethiopian Monastic Microfilm Library (EMML 2080) of the fifteenth or fourteenth century, fragments found in Qumram in the 1950s are more than 2000 years old. Other old important manuscripts are Abbadianus 55 (possibly fifteenth century) and British Museum Orient 485 (first half of the sixteenth century). The 2nd Book of Enoch, the Slavonic Enoch, or 2 Enoch, is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in *The Oxford Guide to People & Places of the Bible* state that there is no manuscript earlier than the fourteenth century BE. The 3rd Book of Enoch, the Hebrew Enoch, or 3 Enoch, is a Rabbinic text originally written in Hebrew usually dated to the fifth century CE. Some experts believe it was written by Rabbi Ishmael (second century CE), familiar with both 1 Enoch and 2 Enoch. The Book of Giants contains a narrative that involves the antediluvian giant offspring originally known from both the Genesis and the Book of Enoch. The Book of Giants resembles particularly 1 Enoch: *The First Book of Enoch*.

Fallen Angels and the Orgins of Evil Elizabeth Clare Prophet,2000 The Book of Enoch was denounced, banned, and lost for over a thousand years--until in 1773 a Scottish explorer discovered three copies in Ethiopia. This book examines the controversy surrounding The Book of Enoch, and sheds new light on Enoch's forbidden mysteries.

God's Court and Courtiers in the Book of the Watchers Philip Francis Esler,2017-11-06 First Enoch is an ancient Judean work that inaugurated the genre of apocalypse. Chapters 1-36 tell the story of the descent of angels called Watchers from heaven to earth to marry human women before the time of the flood, the chaos that ensued, and God's response. They also relate the journeying of the righteous scribe Enoch through the cosmos, guided by angels. Heaven, including the place and those who dwell there (God, the angels, and Enoch), plays a central role in the narrative. But how should heaven be understood? Existing scholarship, which presupposes Judaism as the appropriate framework, views the Enochic heaven as reflecting the temple in Jerusalem, with God's house replicating its architecture and the angels and Enoch functioning like priests. Yet recent research shows the Judeans constituted an ethnic group, and this view encourages a fresh examination of

1 Enoch 1-36. The actual model for heaven proves to be a king in his court surrounded by his courtiers. The major textual features are explicable in this perspective, whereas the temple-and-priests model is unconvincing. The author was a member of a nontemple, scribal group in Judea that possessed distinctive astronomical knowledge, promoted Enoch as its exemplar, and was involved in the wider sociopolitical world of their time.

The Book of Giants, 2015-08 Take a journey with the artist and writer Petar Meseldzija, who tells how he was allowed unparalleled access through the Invisible Curtain and into the land of giants. A year in the making, this book's sixteen paintings and nearly ninety drawings bring to life Petar's experiences on this journey and secrets uncovered, going back to ancient times. He shares stories of new discoveries that free giants from the murky abyss of myth and a forgotten past. Told in three stages, *The Book of Giants* includes the illustrated stories *The Giants Are Coming*, recounting a dynamic clash that lasted one hundred years; *The Little Kingdom*, where a giant befriends a nation of humans and becomes their adamant protector against ferocious invaders; *The Northern Giants*, who embrace the warrior spirit through countless battles; *Giant Velles*, the story of ignorance and how the strength of goodness perseveres; and *The Great Forest*, wherein the author discovers little creatures called the keppetz and relates his experiences spent with ogres while on his quest to meet the Golden One and to determine the purpose of his journey. Through the strength of his own power, he discovers his blessings, his limitations and finally his personal myth. Furthermore, you will discover why giants made a push into the underground, followed by their exodus and deliverance to a new land. You'll also learn why the myth of giants is still alive, why their time spent with humans remains elusive and why giants prefer to remain hidden in their world. Join Petar Meseldzija on his journey of discovery.
