

La Mascara De Dimitrios

Alan Goble

The Mask of Dimitrios Eric Ambler,2009-05-28 English crime novelist Charles Latimer is travelling in Istanbul when he makes the acquaintance of Turkish police inspector Colonel Haki. It is from him that he first hears of the mysterious Dimitrios - an infamous master criminal, long wanted by the law, whose body has just been fished out of the Bosphorus. Fascinated by the story, Latimer decides to retrace Dimitrios' steps across Europe to gather material for a new book. But, as he gradually discovers more about his subject's shadowy history, fascination tips over into obsession. And, in entering Dimitrios' criminal underworld, Latimer realizes that his own life may be on the line.

A Coffin for Dimitrios Eric Ambler,1976 A chance encounter with a Turkish colonel with a penchant for British crime novels leads Charles Latimer, himself the author of a handful of successful mysteries, into a world of sinister political and criminal maneuvers throughout the Balkans in the years between the world wars. At first merely curious to reconstruct the career of the notorious Dimitrios, whose body has been identified in an Istanbul morgue, Latimer soon finds himself caught up in a shadowy web of assassination, espionage, drugs, and treachery. La cueva del cíclope Arturo Pérez-Reverte,2020-04-03 Diez años de conversaciones sobre literatura en el bar de Lola. «Hablar de libros en Twitter es como hacerlo con los amigos en la barra de un bar -dice Arturo Pérez-Reverte-. Si conversar sobre libros siempre es un acto de felicidad, que una red social sirva para esto la hace especialmente valiosa. Ahí vuelco con naturalidad toda una vida de lectura, y ahí comparto, con la misma naturalidad, la vida de lectura de mis lectores. Y el lector es un amigo.» Arturo Pérez-Reverte cumple diez años en Twitter. Son muchos los temas de los que ha hablado en esta red en este período, pero los libros ocupan un lugar protagónico. Entre febrero de 2010 y marzo de 2020, ha escrito más 45.000 mensajes, muchos de ellos sobre literatura, tanto la suya propia como aquella que estaba leyendo o la que le ha marcado a través de los años como escritor. Estos mensajes conforman los encuentros virtuales con sus seguidores en el mítico bar de Lola y se suceden periódicamente desde ese lejano día en que se adentró en esta «cueva del cíclope», como él mismo dio en llamar a la red social. Entre los muchos aspectos relacionados con la literatura, los tuiteros le han preguntado por su próxima novela o por su proceso de escritura, y le han pedido recomendaciones de lectura. Este libro reúne, gracias a la labor compiladora de Rogorn Moradan, todas estas conversaciones directas y sin intermediarios que ha mantenido Arturo Pérez-Reverte con sus lectores. Frente al carácter inmediato y efímero de los comentarios en esta red, hay algunas cuentas que, como dice Rogorn, «contienen pepitas de oro que merece la pena preservar». La de Arturo Pérez-Reverte es una de ellas. Anímense a entrar y tómense algo. Lola abre el bar durante un buen rato esta vez. Clic.

A Genealogy of Male Bodybuilding Dimitris Liokaftos,2017-02-03 Bodybuilding has become an increasingly dominant

part of popular gym culture within the last century. Developing muscles is now seen as essential for both general health and high performance sport. At the more extreme end, the monstrous built body has become a pop icon that continues to provoke fascination. This original and engaging study explores the development of male bodybuilding culture from the nineteenth century to the present day, tracing its transformations and offering a new perspective on its current extreme direction. Drawing on archival research, interviews, participant observation, and discourse analysis, this book presents a critical mapping of bodybuilding's trajectory. Following this trajectory through the wider sociocultural changes it has been a part of, a unique combination of historical and empirical data is used to investigate the aesthetics of bodybuilding and the shifting notions of the good body and human nature they reflect. This book will be fascinating reading for all those interested in the history and culture of bodybuilding, as well as for students and researchers of the sociology of sport, gender and the body.

8th European Medical and Biological Engineering Conference Tomaz Jarm,Aleksandra Cvetkoska,Samo Mahnič-Kalamiza,Damijan Miklavcic,2020-11-29 This book aims at informing on new trends, challenges and solutions, in the multidisciplinary field of biomedical engineering. It covers traditional biomedical engineering topics, as well as innovative applications such as artificial intelligence in health care, tissue engineering , neurotechnology and wearable devices. Further topics include mobile health and electroporation-based technologies, as well as new treatments in medicine. Gathering the proceedings of the 8th European Medical and Biological Engineering Conference (EMBEC 2020), held on November 29 - December 3, 2020, in Portorož, Slovenia, this book bridges fundamental and clinically-oriented research, emphasizing the role of education, translational research and commercialization of new ideas in biomedical engineering. It aims at inspiring and fostering communication and collaboration between engineers, physicists, biologists, physicians and other professionals dealing with cutting-edge themes in and advanced technologies serving the broad field of biomedical engineering.
