*Mrs. Packard Emily Mann*, 2009-07-01 “Emily Mann is one of our most urgently engaging, provocative and significant American playwrights.”—Joyce Carol Oates “Elizabeth Packard emerges as a vibrant, passionate force of nature.”—The New York Times Illinois, 1861: Without proof of insanity, Elizabeth Packard is committed by her husband to an asylum. Based on historical events, Emily Mann’s play tells of one woman’s struggle to right a system gone wrong in this winner of the Kennedy Center Fund for New American Plays Award. Emily Mann is a playwright and director, now in her nineteenth season as artistic director of McCarter Theatre. Her award-winning plays have been produced throughout the world.

Emily Mann Alexis Greene, 2021-11-01 Emily Mann: Rebel Artist of the American Theater is the story of a remarkable American playwright, director, and artistic director. It is the story of a woman who defied the American theater's sexism, a traumatic assault, and illness to create unique documentary plays and to lead the McCarter Theatre Center, for thirty seasons, to a place of national recognition. The book traces and describes Emily Mann's family life; her coming-of-age in Chicago during the exuberant, rebellious, and often violent 1960s; how sexual violence touched her personally; and how she fell in love with theater and began learning her craft at the Loeb Drama Center in Cambridge, Massachusetts, while a student at Radcliffe. Mann's evolution as a professional director and playwright is explored, first at the Guthrie Theater in Minneapolis, where she received an MFA from the University of Minnesota, then on and off Broadway and at regional theaters. Mann's leadership of the McCarter is examined, along with her battles to overcome multiple sclerosis and to conquer—personally and artistically—the memories of the violence she experienced when a teenager. Finally, the book discusses her retirement from the McCarter, while amplifying her ongoing journey as a theater artist of sensitivity and originality. Mann's many awards include the 2015 Margo Jones Award, the 2019 Visionary Leadership Award from Theatre Communications Group, and the 2020 Lilly Award for Lifetime Achievement. In 2019, she was inducted into the Theater Hall of Fame for Lifetime Achievement in the American Theater.

*Testimonies* Emily Mann, 1997 The first major collection by playwright Emily Mann contains four powerful docudramas. Based on extensive interviews of real people's experiences, these plays explore various moral issues and questions that still resonate in America today. *Annulla: An Autobiography* is a solo piece featuring the reflections of an elderly Jewish woman who survived the Holocaust by pretending to be Aryan. Jerry Talmer of the New York Post calls *Annulla* one bangup 90

minutes of theatre...I don't know when I've been stimulated as much by anything on the living stage. Still Life is composed of interviews with a Vietnam War veteran with PTSD, the pregnant wife he physically and emotionally abuses, and the mistress who finds herself entranced by his passion and violence. This Obie Award-winning play is a powerful affair, full of passion and viability...Mann offers no easy answers or pat solutions, she simply invites us into these three characters' lives (Los Angeles Times). Execution of Justice follows the trial of the former policeman who shot San Francisco Mayor George Moscone and openly gay City Supervisor Harvey Milk in 1979. Called thought-provoking...a taut courtroom drama (New York Times), Execution of Justice is theatre reasserting its claim on the country's moral conscience (Washington Post). Greensboro: A Requiem is a particularly all-American tragedy (New York Times) as Mann interviews those involved in the largely unreported 1979 massacre of unarmed demonstrators by members of the Ku Klux Klan, Greensboro police force, and FBI. Forbes calls Greensboro a provocation, a potent expos of the 'less-than-human thing' which fuels the politics of hate and injustice in America.

**Cannery Women, Cannery Lives** Vicki Ruíz,1987-08 This dramatic and turbulent history of UCAPAWA is a major contribution to the new labor history in its carefully documented account of minority women controlling their union and regulating their working lives.

Gloria Emily Mann,2019 Mann's vital new biographical play based on the life of feminist and activist Gloria Steinem is a timely work that shows how Steinem's leadership and dedication to conversation as a catalyst for change continues to offer a vital path forward in our present time.

**I'm Down** Mishna Wolff,2009-05-26 Mishna Wolff grew up in a poor black neighborhood with her single father, a white man who truly believed he was black. He strutted around with a short perm, a Cosby-esque sweater, gold chains and a Kangol—telling jokes like Redd Foxx, and giving advice like Jesse Jackson. You couldn't tell my father he was white. Believe me, I tried, writes Wolff. And so from early childhood on, her father began his crusade to make his white daughter Down. Unfortunately, Mishna didn't quite fit in with the neighborhood kids: she couldn't dance, she couldn't sing, she couldn't double dutch and she was the worst player on her all-black basketball team. She was shy, uncool and painfully white. And yet when she was suddenly sent to a rich white school, she found she was too black to fit in with her white classmates. I'm Down is a hip, hysterical and at the same time beautiful memoir that will have you howling with laughter, recommending it to friends and questioning what it means to be black and white in America.

From never-ending projects, reading

tests, quarreling, making-up, excuses and 'Please, Sir, it isn't fair.' Fritz Wegner's line drawings beautifully complement the hilarious and poignant verses. Please Mrs Butler was voted the most important twentieth-century children's poetry book in a Books for Keeps poll.

Execution of Justice Emily Mann, 1986 This docudrama on the assassinations of San Francisco Mayor George Moscone and Supervisor Harvey Milk, the first openly gay elected public official in the country, is based on court transcripts and public record dramatising the trial of this controversial case. Focus is on accused killer Dan White, a disgruntled former city supervisor and on the jury which chose to convict him not of cold-blooded murder but manslaughter, which became known as the notorious Twinkie defense.

Four Plays Marsha Norman, 1988 Marsha Norman looks straight at the terrifying mediocrity of so many lives, at the lethal possessiveness of parents, and at the black hole of death itself.
